

THE 4th ANNUAL WILKES UNIVERSITY INTEGRATION BEE!

OPEN TO ALL UNDERGRADUATE WILKES STUDENTS

Come to evaluate indefinite integrals and win

a \$150, \$100, or \$50 prize!

(Note: You need to know integration techniques covered in calculus class MTH 112 or its equivalent, such as u-substitution, integration by parts, trig substitutions, partial fractions decomposition.)

WHEN: SATURDAY, MARCH 28th, 2020, 10 AM

**WHERE: DARTE CENTER FOR THE PERFORMING ARTS,
ROOMS 201/202**

HOW TO BECOME A PARTICIPANT:

go to http://chepusht.mathcs.wilkes.edu/integration_bee
and register before March 20th.

Spectators are welcome - come to support your integration bees!

*If you have any questions, contact Dr. Sofya Chepushtanova
(SLC 410, (570) 408-4868, sofya.chepushtanova@wilkes.edu)*
